

## Virtual Walk-Thru of KA 5: dash; Enterprise Analysis

Self-Paced, Web-Delivered Duration 3.5 Hours

**Overview** Knowledge Area (KA) “Enterprise Analysis” deals with analyzing business situations, assessing the capabilities of an enterprise, and determining the business analysis approach most likely to succeed on the project.. These activities, commonly considered the domain of project leaders and managers, also fall into the responsibilities of senior business analysts. Understanding the terminology, tasks, techniques, inputs, and deliverables of this knowledge area will prepare you to take and pass the Certified Business Analyst Professional® exam – assuming you already meet all other qualifications as defined by the International Institute of Business Analysis (IIBA®).

This 3.5 hour long virtual walkthrough of the knowledge area is designed specifically for those who would like to increase their knowledge of the IIBA® concepts and terminology. If you are taking this course in preparation for taking the full CBAP® (Certified Business Analysis Professional®) exam, we recommend taking it approximately 4 – 6 weeks prior to the scheduled exam.
