

Virtual Walk-Thru of KA 6: dash; Requirements Analysis

Self-Paced, Web-Delivered Duration 3.5 Hours

Overview Knowledge Area (KA) “Requirements Analysis” deals with prioritizing, specifying, modeling, verifying, organizing, and validating business, stakeholder, solution, and transition requirements. These activities, commonly considered the domain of project leaders and managers, also fall into the responsibilities of senior business analysts. Understanding the terminology, tasks, techniques, inputs, and deliverables of this knowledge area will prepare you to take and pass the Certified Business Analyst Professional® exam – assuming you already meet all other qualifications as defined by the International Institute of Business Analysis (IIBA®).

This 3.5 hour long virtual walkthrough of the knowledge area is designed specifically for those who would like to increase their knowledge of the IIBA® concepts and terminology. If you are taking this course in preparation for taking the full CBAP® (Certified Business Analysis Professional®) exam, we recommend taking it approximately 4 – 6 weeks prior to the scheduled exam.

IIBA®, the IIBA® logo, BABOK® and Business Analysis Body of Knowledge® are registered trademarks owned by International Institute of Business Analysis. CBAP® is a registered certification mark owned by International Institute of Business Analysis. Certified Business Analysis Professional, EEP and the EEP logo are trademarks owned by International Institute of Business Analysis.
